G= General contractor, R=Resin Flooring, M= Membrane Waterproofing.

Resin Flooring products applied by these contractors:

Sureshield, Terrazzite, Decorative Terrazzite, Surecote 500, Surechem VE, Floor Coatings, Rapidfloor MMA, Supascreed, Nuthane Polyurethane.

The rating, relating to resin flooring, is listed as a guide to main contractors. It is based on:

- ◆ Ability: skills, experience
- ◆ Capability: Resources, capacities, multi-teams
- ◆ Capacity: Size
- ◆ Commitment: Nuplex product & training attendance, regularity of work
- ◆ International Capability & experience (+)
- ◆ Denotes experience with Architectural Terrazzite (*)

#1 CPWI: Nuplex contractors Federation Consumer protection Warranty Insurance.
 This is an insurance scheme offered by Nuplex contractors who have purchased the scheme.
 It offers the end building owner protection against faulty workmanship in the event the contractor is not in a position to repair.
 Ensure that you see the policy document and proof that the contractor can offer this scheme.
 It is fully Insurance company covered and applies to the end owner only.
 A "Y" in the column means this contractor has taken up, and may offer, the scheme.
