

# NUPLEX FLOORING ACCESSORIES

## COVINGS

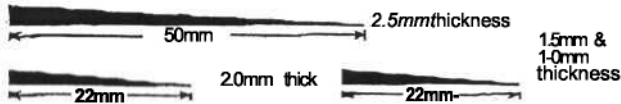

Litex Carpet Cove — 50m coils

Litex Stiff Cove (LSC) - 3m Lengths

Litex Continuous Cove (LCC) — 30m coils

Because of their flexibility, Litex Stiff and Continuous Covings can be fitted to most contours. They provide a perfect draught-proof union between wall and floor, and eliminate the need for wooden skirting. Litex coverings add to the appearance of any room, eliminate dust traps and protect walls from marks made by cleaning. Stock colour black. Other colours considered.

## BEVEL STRIPS

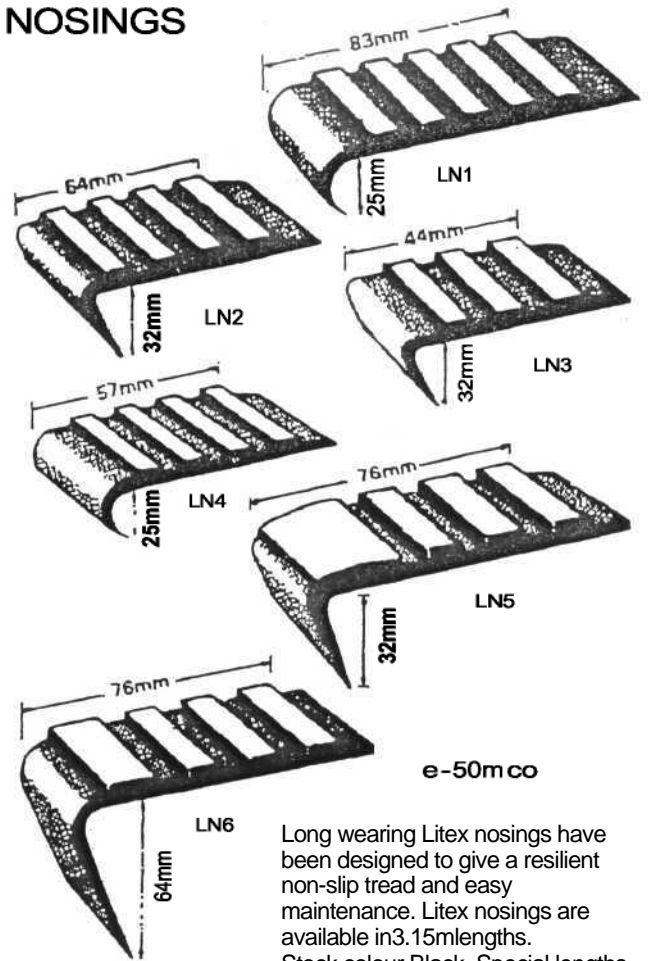

Bevel Strip in 30m coils:

Corner Protection Strip in 30m coils.

Black and White.

## NOSINGS

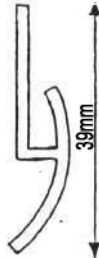

Long wearing Litex nosings have been designed to give a resilient non-slip tread and easy maintenance. Litex nosings are available in 3.15m lengths. Stock colour Black. Special lengths and colours considered.

## CAPPING

C7 capping used to finish and seal cop of skirtings to wall or wall linings.

Black and White.

## FLEXI-COVE

Manufactured from Polyethylene as a replacement for wood cove. Sizes:

19mm

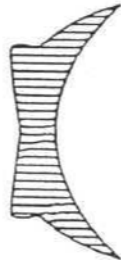

28mm

38mm
